Overview

The Monterey County Children’s Council launched the [Bright Beginnings Early Childhood Development Initiative](#) in September 2012. Bright Beginnings uses a collective impact approach to mobilize change for young children and their families from the prenatal stage to age 8. Launched in 2018, the strategic framework, “Together, preparing every child for life and school,” outlines Bright Beginnings goals, approaches and strategic priorities. Bright Beginnings is supporting work in Monterey County towards two community-wide goals:

- By 2025, double the number of children who are holistically supported so that they are healthy, their development is on track, and they are well prepared for kindergarten.
- By 2023, significantly reduce gaps in kindergarten readiness between children in low-income households and children in non-low-income households.

The Monterey County Children’s Council provides general oversight of Bright Beginnings. Backbone staff and consultants support capacity for change and strategic management to implement the initiative’s vision and strategy, support aligned activities, establish shared measurement, build public will, advance policy, and mobilize resources. The Backbone staff are hosted at First 5 Monterey County. The Early Childhood Advisory Group provides guidance and technical expertise. Bright Beginnings supports local change projects throughout Monterey County, including within six communities that responded to our call for collaboration in 2014. Bright Beginnings works closely with the cradle-to-career education initiative Bright Futures (coordinating the work for Goals 1 & 2 of the Bright Futures Initiative), and is an active member of Impact Monterey County (a hub for collective impact initiatives housed at United Way).

Position Summary

This person provides leadership and strategic management for the Bright Beginnings initiative as a whole, coordinating partners and mobilizing the community to achieve our shared goals, while ensuring Bright Beginnings adheres to its vision, mission and values.
