We are looking for the **Storyteller** of the Social Gastronomy Movement

**Our work**

We believe in the power of food as a tool for social change. In a world with rising inequalities and differences, food can bring us together, and that is what Social Gastronomy is about. Food connects us to ourselves, to society and to the planet. At the Social Gastronomy Movement (SGM) we facilitate networks between individuals and organizations working with food for social change. Stimulating collaboration is at the heart of our mission because we believe that it is essential and often lacking when promoting social change and meaningful impact.

The SGM is based in Rio de Janeiro, Brazil, with a decentralized team structure and hubs and supporters located all around the globe. Candidates selected for this position will be onboarded in Rio for several months, their permanent location can then be located working embedded in one of our hubs in another country.

**Your role as our Storyteller**

*You will be the main point of contact to communicate about the SGM to the world*

- Lead all communications related activities
- Design and run our new social media strategy and campaigns for 2020
- Coordinate our different communication channels
- Build engagement through creative and impactful storytelling
- Develop existing and new content and PR partnerships
- Co-develop and boost the branding and messaging of the SGM
- Increase our reach and the awareness around Social Gastronomy
Skills & interests we are looking for

- Curiosity about current social challenges and social innovation
- Previous experience in journalism or storytelling
- Social media and campaign experience
- Native English writing skills, as most of our written content is in English
- Proactive and positive attitude
- Good command of: Indesign, Photoshop, Canva, PowerPoint, Mailchimp and Illustrator

What we offer

✔ Flexible geography and regular travel opportunities
✔ Start-up-like structures with opportunities to grow with the project
✔ Flat hierarchies and autonomous decision making
✔ Be part of an international and impactful community
✔ Space for personal and professional development
